Gotta Go My Own Away by High School Musical 2

I gotta say what's on my mind	But at least for now
Something about us	I gotta go my own way
Doesn't seem right these days	What about us?
Life keeps getting in the way	What about everything we've been through?
Whenever we try somehow the plan	What (6) trust?
Is always rearranged	You know I never wanted to hurt you
It's so hard to say	What about me?
But I gotta do what's (1) for me	What am I supposed to do?
You'll be okay	I gotta leave but I'll miss you
I've got to (2) on, and be who I am	
I just don't (3) here	So I've got to move on, and be who I am
I hope you understand	(Why do you have to go)
We might find our place in this world someday	I just don't belong here
But at (4) for now	I hope you understand (trying to understand)
I gotta go my own way	We might find our place in (7) world someday
Don't wanna leave it all behind	But at least for now (I want you to stay)
But I get my hopes up	I gotta go my own way
And I watch them fall every time	I've got to move on, and be who I am
Another color turns to grey	(What about us?)
And it's just too hard to watch it all	I just don't belong here
Slowly fade away	I hope you understand (trying to understand)
I'm leaving today	We might find our place in (8) world someday
Cause I gotta do what's best for me	But at least for now
You'll be okay	I gotta go my own way
I've got to move on, and be who I am	I've gotta go my own way
I just don't belong here	I've gotta go my own way
I hope you understand
