Goodbye My Lover (Live) by James Blunt

Did I disappoint you or let you down?	I'd spend a lifetime with you
Should I be feeling guilty or let the judges frown	I know your fears and you know mine
'Cause I saw the end before we'd begun	We've had our doubts but now we're fine
Yes I saw you were blinded and I knew I had won	And I love you, I swear that's true
So I took what's mine by (1) right	I cannot live without you
Took your soul out into the night	Goodbye my lover
It may be over but it won't stop there	Goodbye my friend
I am here for you if you'd only care	You (8) (9) the one
You touched my heart you touched my soul	You have been the one for me
You changed my life and all my goals	Goodbye my lover
And love is (2) and that I (3) when	Goodbye my friend
My heart was blinded by you	You have been the one
I've kissed your lips and held your hand	You have been the one for me
Shared your (4) and shared your bed	And I still hold your hand in mine
I know you well, I know your smell	In mine when I'm asleep
I've been addicted to you	And I will bare my soul in time
Goodbye my lover	When I'm kneeling at your feet
Goodbye my friend	(Goodbye my lover)
You have been the one	(Goodbye my friend)
You have been the one for me	(You have been the one)
Goodbye my lover	(You have been the one for me)
Goodbye my friend	(Goodbye my lover)
You have (5) the one	(Goodbye my friend)
You (6) been the one for me	(You have been the one)
I'm a dreamer and when I wake	(You have been the one for me)
You can't break my spirit	I'm so hollow, baby, I'm so hollow
It's my dreams you take	I'm so, I'm so, I'm so hollow
And as you move on, remember me	I'm so hollow, baby, I'm so hollow
Remember us and all we used to be	I'm so, I'm so, I'm so hollow
I've seen you cry, I've seen you smile	
I've watched you sleeping for a while	
I'd be the father of (7) child
