

If you have something to tell me

## Fill in the gaps

| Of how you feel inside                      | 'Cause it's everything w     |
|---------------------------------------------|------------------------------|
| I hope it is love                           | It's like the air that we be |
| If you have a single question               | And I know nothing can       |
| I want it to be this                        | It's always leaving trace    |
| Can you feel the love?                      | Let there be love            |
| Tell me now                                 | Let there be love            |
| So I know                                   | Let there be love            |
| Why it makes you feel alive                 | Everything we need           |
| Why it hurts to say goodbye                 | Let there be love            |
| Why you'll never ever lose                  | Let there be love            |
| What is meant to be with you                | Let there be love            |
| So let (1) be love                          | Everything we need           |
| So let there be love                        | I hope it's love             |
| Sometimes you can live a whole life         | 'Cause it's (7)              |
| In just a single day                        | It's like the air that we be |
| Let the minutes flow                        | And I know nothing can       |
| When you hear another heartbeat harmonizing | It's (8)                     |
| Yours and you (2) know                      | Let there be love            |
| It's the feeling of                         | Let there be love            |
| Something more                              | Let there be love            |
| An open door                                | Everything we need           |
| It will make you feel alive                 | I (9) it's love              |
| It (3) to say goodbye                       | I (10) it's love             |
| But you'll (5) ever lose                    |                              |
| What is meant to be with you                |                              |
| So let (6) be love                          |                              |

| So let there be love                                                                                                                                   |   |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|---|
| 'Cause it's everything we need                                                                                                                         |   |
| It's like the air that we breathe                                                                                                                      |   |
| And I know nothing can replace it                                                                                                                      |   |
| It's always leaving traces                                                                                                                             |   |
| Let there be love                                                                                                                                      |   |
