Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain (2)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (3)_____ with my brain
What do I say to her?
Why do I say it to her?
What (4)_____ she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (5)_____ (6)_____ open
The rib is the (7)_____ and heart is the yolk
And I just (8)_____ a meal for us both to choke on

Every single night's a fight (9)_____ my brain
I just want to feel everything
I just want to feel everything
I just (10)_____ to feel everything
So I'm (11)_____ try to be (12)_____ now
Gonna (13)_____ the mill a
(14)_____ while and
If we had a (15)_____ king (16)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my (17)_____ just bust
open
My heart's made of parts of all that's around me
And that's why the devil (18)_____ can't get around me
Every single night's alright
Every (19)_____ night's a fight
And every (20)_____ fight's alright with my brain
I (21)_____ want to feel everything
I just (22)_____ to (23)_____ everything
I (24)_____ want to feel everything
I just (25)_____ to (26)_____ everything
