

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little (2)_____ of white-flamed butterflies in my brain
These ideas of (3)_____ (4)_____ the
mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What (5)_____ she think of me?
That I'm not what I ought to be
That I'm (6)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If (7)_____ I am is (8)_____ I am, 'cause I does
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I (9)_____ want to feel everything
I (10)_____ (11)_____ to feel everything
I just want to feel everything
So I'm gonna try to be (12)_____ now
Gonna renounce the (13)_____ a little (14)_____
and
If we had a double king size bed
We (15)_____ (16)_____ in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast just (17)_____ open
My heart's made of parts of all that's around me
And that's why the (18)_____ just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's (19)_____ with my brain
I (20)_____ want to feel everything
I just want to feel everything
I just (21)_____ to (22)_____ everything
I just want to feel everything
