Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little (2)_____ of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle (3)_____ the spine
Swarm the belly, (4)_____ to a blaze
That's when the pain (5)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a fight with my brain
What do I say to her?
Why do I say it to her?
What (6)_____ she (7)_____ of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be (8)_____ else's fault
I can't get caught
If (9)_____ I am is (10)_____ I am, 'cause I
(11)_____ (12)_____ I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just (13)_____ a meal for us both to choke on

Every single night's a fight with my brain
I (14)_____ (15)_____ to feel everything
I just (16)_____ to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double (17)_____ size bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I (18)_____ what I does
And maybe I'd relax, let my breast just bust open
My heart's made of parts of all that's (19)_____ me
And that's why the devil (20)_____ can't get around me
Every single night's alright
Every single night's a fight
And every single fight's (21)_____ (22)_____ my brain
I just want to (23)_____ everything
I just want to feel everything
I just want to feel everything
I (24)_____ (25)_____ to feel everything
