Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of (2)_____ wings of white-flamed
(3)_____ in my brain
These ideas of mine percolate the mind
Trickle (4)_____ the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be (5)_____ else's fault
I can't get caught
If what I am is (6)_____ I am, 'cause I (7)_____
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and (8)_____ is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I just (9)_____ to feel everything
I just want to feel everything
I just (10)_____ to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a (11)_____ while and
If we had a double (12)_____ (13)_____ bed
We could move in it and I'd (14)_____ forget
If what I am is (15)_____ I am, 'cause I does what I does
And maybe I'd relax, let my (16)_____ just bust
open
My heart's made of (17)_____ of all that's around me
And that's why the (18)_____ just can't get
(19)_____ me
Every single night's alright
Every single night's a fight
And every (20)_____ fight's alright with my brain
I just want to feel everything
I just want to (21)_____ everything
I (22)_____ want to feel everything
I just want to feel everything
