

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little (2)_____ of white-flamed butterflies in my brain
These ideas of (3)_____ (4)_____ the
mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain (5)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every (6)_____ night's a (7)_____ with my
brain
What do I say to her?
Why do I say it to her?
What (8)_____ she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does (9)_____ I does
Then brother, get back
'Cause my breast's (10)_____ (11)_____ open
The rib is the shell and heart is the yolk
And I (12)_____ (13)_____ a meal for us
(14)_____ to (15)_____ on

Every single night's a fight (16)_____ my brain
I (17)_____ want to feel everything
I just want to (18)_____ everything
I just want to (19)_____ everything
So I'm gonna try to be still now
Gonna (20)_____ the mill a little while and
If we had a double king (21)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my (22)_____ just bust
open
My heart's made of (23)_____ of all that's around me
And that's why the (24)_____ just can't get around me
Every single night's alright
Every single night's a fight
And every (25)_____ fight's alright (26)_____
my brain
I just want to (27)_____ everything
I just want to feel everything
I just want to (28)_____ everything
I just want to feel everything
