Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight

Of little wings of white-flamed (2)_____

in my brain

These ideas of mine percolate the mind

Trickle (3)_____ the spine

Swarm the belly, swelling to a blaze

That's when the pain comes in

Like a second skeleton

Trying to fit (4)_____ the skin

I can't fit the feelings in, no

Every single night's a (5)_____ with my brain

What do I say to her?

Why do I say it to her?

What does she (6)_____ of me?

That I'm not what I ought to be

That I'm (7)_____ I try not to be

It's got to be somebody else's fault

I can't get caught

If what I am is what I am, 'cause I (8)_____ what I does

Then brother, get back

'Cause my breast's (9)_____ bust open

The rib is the shell and (10)_____ is the yolk

And I just need a meal for us both to (11)_____ on

Every single night's a (12)_____ (13)_____ my

brain

I just (14)_____ to feel everything

I just want to (15)_____ everything

I just want to feel everything

So I'm gonna try to be still now

Gonna renounce the mill a little while and

If we had a (16)_____ king (17)_____ bed

We could (18)_____ in it and I'd soon forget

If (19)_____ I am is (20)_____ I am, 'cause I does

what I does

And maybe I'd relax, let my breast just bust open

My heart's made of (21)_____ of all that's around me

And that's why the devil just can't get around me

Every single night's alright

Every single night's a fight

And (22)_____ single fight's alright (23)_____ my

brain

I just want to feel everything

I just (24)_____ to feel everything

I just want to feel everything

I just want to feel everything
