

## Fill in the gaps

Elevator buttons and morning air
Stranger's silence (1) me wanna take the stairs
If you (2) here
We'd laugh about (3) vacant stares
But right now, my (4) is theirs
Seems like there's always someone who disapproves
They'll judge it like they know about me and you
And the verdict comes from those with nothing (5)
to do
The jury's out, but my choice is you
So don't you worry your (6)
(7) mind
People throw rocks at (8) that shine
And life makes love (9) hard
The stakes are high, the water's rough
But this love is ours
You never (10) what (11) have up
their sleeves
Ghosts (12) your (13) gonna jump out
at me
Lurking in the shadows with their lip (14) smiles
But I don't care 'cause right now you're mine
And you'll say don't you worry your pretty little mind
People (15) (16) at things that
shine
And life (17) love look hard
The stakes are high, the water's rough

But this (18) is ours
And it's not theirs to speculate if it's wrong and
Your hands are though
But they are where mine (19) in
I'll fight (20) doubt and give you faith
With this song for you
'Cause I love the gap between your teeth
And I (21) the riddles that you speak
And any snide (22) from my father
About (23) tattoos will be ignored
'Cause my (24) is yours
So don't you worry your pretty little mind
People throw rocks at (25) that shine
And life makes love (26) hard
Don't you (27) your pretty little mind
People (28) rocks at things that shine
But (29) can't take what's ours
They can't take what's ours
The stakes are high, the water's rough
But this love is ours
