

Fill in the gaps

If I'm a bad person, you don't like me	I'm not the same kid from (5) memory
Well, I guess I'll make my own way	Well, now I can fend for myself
It's a circle, a mean cycle	Don't wanna hear your sad songs
I can't excite you anymore	I don't wanna feel your pain
Where's (1) gavel, your jury	When you swear it's all my fault
What's my offense this time	'Cause you know we're not the same (no)
You're not a judge but if you're gonna judge me	We're not the same (no)
Well, sentence me to another life	(Oh) we're not the same
Don't wanna hear your sad songs	(Yeah) we used to stick together
I don't wanna feel your pain	We wrote our names in blood
When you swear it's all my fault	But I guess you can't accept
'Cause you know we're not the same (no)	That the change is good (hey)
We're not the same (no)	It's good (hey)
(Oh) we're not the same	It's good
(Yeah) I've got friends who stuck together	Well you treat me (6) like another stranger
We wrote our names in blood	Well, it's (7) to meet you sir
But I guess you can't accept	Well I (8) I'll go
That the change is good (hey)	I best be on my way out
It's good (hey)	You treat me just like another stranger
It's good	Well, it's nice to meet you sir, I guess I'll go
Well you treat me just like another stranger	I best be on my way out
Well, it's (2) to meet you sir, I guess I'll go	Ignorance is your new best friend
I (3) be on my way out	Ignorance is your new best friend
You treat me just like another stranger	Ignorance is your new best friend
Well, it's nice to meet you sir, I guess I'll go	Ignorance is your new best friend
I best be on my way out	Well you treat me just like another stranger
Ignorance is your new best friend	Well, it's nice to meet you sir
Ignorance is your new best friend	Well I guess I'll go
This is the best (4) that could've happened	I (9) be on my way out
Any longer and I wouldn't have made it	You treat me just like another stranger
It's not a war no, it's not a rapture	Well it's nice to meet you sir, I guess I'll go
I'm just a person but you can't take it	I best be on my way out
The same tricks that once fooled me	
They won't get you anywhere
