

## Fill in the gaps

## Living In A World Without You by The Rasmus

It's hard to believe (1) it (2) to this	Oh there's a (16) without you
You paralysed my body with a poison kiss	I see the light
For 40 days and nights I was chained to (3) bed	Living in a world (17) you
You (4) that was the end of the story	Oh there is hope to (18) me
Something inside me called freedom came alive	I will survive
Living in a world (5) you	Living in a world without you
You (6) me my darling	Its hard to (19) (20) it came to
Without me you're nothing	this
You taught me to look in your eyes	You (21) my body with a poison kiss
And fed me (7) sweet lies	For 40 days and nights I was chained to (22) bed
Suddenly someone will stare in the window	You thought that was the end of the story
Looking outside at the sky that had never been blue	Something inside me (23) freedom
Oh there's a world without you	(24) alive
I see the light	Living in a world (25) you
Living in a world (8) you	Its hard to believe that it came to this
Oh there is (9) to guide me	You paralysed my body with a poison kiss
I (10) survive	For 40 days and nights I was chained to your bed
Living in a world without you	You thought that was the end of the story
Its hard to believe that it came to this	Something inside me called freedom came alive
You paralysed my body with a (11) kiss	Living in a world without you
For 40 days and nights I was (12) to your	Oh there's a world (26) you
bed	I see the light
You thought that was the end of the story	Living in a world without you
Something inside me (13) freedom came alive	Oh there is (27) beside me
Living in a (14) without you	I will survive
You put me together	Living in a world without you
Then trashed me for pleasure	Living in a world without you
You used me again and again	Living in a world without you
Abused me, confused me	Living in a world without you
Suddenly (15) I run through your garden	Living in a world without you
Pight through the gates of the past and I'm finally free
