

## Fill in the gaps

## More Than This (Live) by One Direction

I'm broken, do you hear me?	It (14) don't feel right
I'm blinded 'cause you are everything I see	'Cause I can (15) you more than this, yeah
I'm dancing alone	I've never had the words to say
I'm praying that your heart (1) (2)	But now I'm asking you to stay
(3) around	For a (16) while inside my arms
And as I (4) up to (5) door	And as you close (17) eyes tonight
My head turns to face the floor	I pray (18) you will see the light
'Cause I can't look you in the (6) and say	That's shining from the (19) above and I say
When he (7) his arms and hold you close tonight	When he opens his arms and hold you close tonight
It (8) won't feel right	It just won't feel right
'Cause I can love you more than this, yeah	'Cause I can love you more (20) this
When he lays you down, I might just die inside	'Cause I can love you more than this
It just won't feel right	When he lays you down, I (21) just die inside
'Cause I can love you more (9) this	It just won't feel right
I can love you more than this?	'Cause I can love you more than this, yeah
If I'm louder, would you see me?	When he opens his arms and hold you close tonight
Would you lay (10) in my (11) and	It just don't feel right
rescue me?	'Cause I can love you more than this, yeah
'Cause we are the same	When he (22) you down, I might just die inside
You save me, when you leave it's gone again	It just don't feel right
And (12) I see you on the street	'Cause I can love you (23) (24) this
In his arms, I get weak	Can love you more than this?
My body fails, I'm on my knees praying	
When he opens his arms and hold you close tonight	
It just won't feel right	
'Cause I can love you more than this, yeah	
When he lays you down, I (13) just die inside
