You're no loser

Fill in the gaps

Man In The Rain by Mike Oldfield & Cara Dillon

You're the one who's nearly breaking my heart	There's still time to ride that train
Had (1) chance, you just threw it all away	And you must be on your way tonight
Living in a world that you could (2) be a part of	Think anew right through, you're a man in the rain
And now's the time to walk away	How's it feel when there's
You can't stay, no, you can't stay	Time to remember?
You're no loser	Branches bare like the
There's still (3) to ride that train	Trees in November
And you must be on your way tonight	How's it feel when there's
Think anew right through, you're a man in the rain	Time to remember?
What's the use in hanging (4) these walls	Branches (9) like the
Lamps are burning, but nobody's at home	Trees in November
There's a new day dawning as a cold (5) falls	(Threw it all away)
And now's the time to walk alone	You can't stay, no, you can't stay
You can't stay, no, you can't stay	You're no loser
You're no loser	There's still time to ride that train
There's still time to ride that train	And you must be on your way tonight
And you must be on (6) way tonight	Think anew right through, you're a man in the rain
Think (7) right through, you're a man in the rain	Threw it all away
How's it feel when there's	Threw it all away
Time to remember?	And now's the (10) to walk away
Branches bare like the	You can't stay, no, you can't stay
Trees in November	You're no loser
Had it all	There's still time to ride that train
Threw it all away	And you must be on your way tonight
Now's the (8) to walk away	(Think anew right through, you're a man in the rain)
You can't stay, no, you can't stay
