

You're no loser

Fill in the gaps

Man In The Rain by Mike Oldfield & Cara Dillon

You're the one who's nearly breaking my heart	There's (16) time to ride that train
Had your chance, you just threw it all away	And you must be on your way tonight
Living in a (1) that you could (2) be	Think anew (17) through, you're a man in the
a part of	rain
And now's the (3) to (4) away	How's it feel when there's
You can't stay, no, you can't stay	Time to remember?
You're no loser	Branches bare like the
There's still time to ride that train	Trees in November
And you (5) be on your way tonight	How's it (18) when there's
Think (6) (7) through, you're a man in	Time to remember?
the rain	Branches bare like the
What's the use in (8) round these walls	Trees in November
Lamps are burning, but nobody's at home	(Threw it all away)
There's a new day (9) as a cold rain falls	You can't stay, no, you can't stay
And now's the (10) to (11) alone	You're no loser
You can't stay, no, you can't stay	There's still time to (19) that train
You're no loser	And you (20) be on your way tonight
There's (12) time to (13) that train	Think (21) (22) through, you're a
And you must be on your way tonight	man in the rain
Think anew right through, you're a man in the rain	Threw it all away
How's it feel when there's	Threw it all away
Time to remember?	And now's the time to (23) away
Branches bare like the	You can't stay, no, you can't stay
Trees in November	You're no loser
Had it all	There's still time to (24) that train
Threw it all away	And you must be on your way tonight
Now's the (14) to (15) away	(Think (25) right through, you're a man in the rain)
You can't stay, no, you can't stay
