## I'm A Slave 4 U by Britney Spears

## Fill in the gaps

I know I may be young	Get it get it, get it get it (whoa)
But I've got feelings too	Get it get it, get it get it (whoa)
And I need to do what I feel like doing	Get it get it, get it get it (oh)
So let me go and just listen	I really want to dance, tonight with you
All you people look at me like I'm a little girl	(I just can't help myself)
Well did you ever think it be okay	I (8) want to do what you want me to
For me to (1) into this world	(I just feel I let myself go)
Always saying little (2) don't step into the club	I really want to dance, tonight with you
Well I'm (3) tryin' to find out why	(Wanna see you move)
'Cause dancing is what I love	I really want to do what you want me to
Get it get it, get it get it (whoa)	(Uh uh uh)
Get it get it, get it get it	Baby, don't you want to, dance (9) me
Do you (4) it (whoa)	(I just want to dance next to you)
Get it get it, get it get it (oh)	To another time and place
(This feels good)	(Oh) Baby, don't you want to, dance upon me
I (5) I may come off quiet	(Are you ready)
I may come off shy	Leaving (10) my name, my age
But I (6) like talking, feel like dancing	I'm a slave for you (take that)
When I see this guy	I cannot hold it, I cannot control it
What's practical is logical	I'm a slave (It just feels right) for you
What the hell, who cares?	(It just feels good)
All I know is I'm so happy	I won't deny it, I'm not trying to hide it baby
When you're dancing there	Get it get it, get it get it (whoa)
I'm a slave for you	Get it get it, get it get it (whoa)
I cannot hold it, I cannot control it	Get it get it, get it get it (oh)
I'm a slave for you	Get it get it, get it get it (whoa)
I won't deny it, I'm not trying to hide it	Get it get it, get it get it (whoa)
Baby, don't you want to, (7) upon me	Get it get it, get it get it (oh)
(I just want to dance next to you)	I'm a slave for you (here we go now)
To another time and place	I cannot hold it, I cannot control it
Oh baby, don't you want to, dance upon me	I'm a slave for you (here we go)
(Are you ready)	I won't deny it (yeah)
Leaving behind my name, my age	I'm not trying to hide it
(Lets go)	(Like that)
