### Can't Hold Us Down by Christina Aguilera & Lil' Kim

So what am I not supposed to have an opinion  
Should I be quiet just because I'm a woman  
Call me a bitch cause I speak what's on my mind  
Guess it's easier for you to swallow if I sat and smiled  
When a female fires back  
Suddenly big talker don't know how to act  
So he does what any little boy will do  
Making up a few false rumors or two  
That for sure is not a man to me  
Slandering names for popularity  
It's sad you only get your fame through controversy  
But now it's time for me  
To come and give you more to say  
This is for my girls all around the world  
Who've come across a man  
That don't respect your worth  
Thinking all women should be seen, not heard  
So what do we do girls?  
Shout louder!  
Letting them know we're gonna stand our ground  
Lift your hands (1)\_\_\_\_\_ and wave them proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down  
Nobody can (2)\_\_\_\_\_ us down  
Nobody can (3)\_\_\_\_\_ us down  
Nobody can hold us down  
Never can, never will  
So what am I not supposed to say  
What I'm saying

## Fill in the gaps

Are you offended by the message I'm bringing

Call me whatever cos your words

Don't mean a thing

Guess you ain't even a man enough

To handle what I sing

If you look back in history

It's a common double standard of society

The guy gets all the glory the more he can score

While the girl can do the same

And yet you call her a whore

I don't understand why it's okay

The guy can get away (4)\_\_\_\_\_ it the girl gets named

All my ladies come together and make a change

Start a new (5)\_\_\_\_\_ for us (6)\_\_\_\_\_ sing

This is for my girls all around the world

Who've come across a man

That don't respect your worth -----

Thinking all women should be seen, not heard

What do we do girls?

Shout louder!

Letting them know we're gonna stand our ground

Lift your hands high and wave 'em proud

Take a deep breath and say it loud

Never can, never will

(Check it) can't hold us down

Here's something I (7)\_\_\_\_\_ can't understand

If the guy have three girls then he's the man

He can either give us some head, sex her off

If the girl do the same, then she's a whore

But the table's about to turn up

I'll bet my fame on it

Cats take my ideas and put their name on it

It's alright though, you can't hold me down

I got to keep on movin'

To all my girls with a man who be tryin to mack

Do it right back to him and let that be that

You need to let him know that his game is whack

And Lil' Kim and Christina Aguilera got your back

But you're just a little boy

Think you're so cute, so coy

You must talk so big

To make up for smaller things

So you're just a little boy

All you'll do is annoy

You must talk so big

To make up for smaller things

This is for my girls...

This is for my girls all around the world

Who've (8)\_\_\_\_\_ across a man

That don't respect your worth

Thinking all women should be seen, not heard

So what do we do girls?

Should out loud!

Letting them know we're gonna stand our ground

Lift your hands high and wave 'em proud

Take a deep breath and say it loud

Never can, never will, can't hold us down

This is for my girls all around the world

Who've come across a man

That don't respect your worth
