Can't Hold Us Down by Christina Aguilera & Lil' Kim

So what am I not supposed to have an opinion
Should I be quiet just because I'm a woman
Call me a bitch cause I speak what's on my mind
Guess it's easier for you to swallow if I sat and smiled
When a female fires back
Suddenly big talker don't know how to act
So he (1) what any little boy will do
Making up a few false rumors or two
That for sure is not a man to me
Slanderin' names for popularity
It's sad you only get your fame through controversy
But now it's time for me
To come and give you more to say
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women should be seen, not heard
So what do we do girls?
Shout louder!
Letting them know we're gonna stand our ground
Lift your hands high and (2) them proud
Take a deep breath and say it loud
Never can, never will, can't hold us down
Nobody can hold us down
Nobody can hold us down
Nobody can hold us down
Never can, never will
So what am I not supposed to say
What I'm saying

Are you offended by the message I'm bringing
Call me whatever cos your words
Don't mean a thing
Guess you ain't even a man enough
To handle what I sing
If you look back in history
It's a common double standard of society
The guy gets all the glory the more he can score
While the girl can do the same
And yet you call her a whore
I don't understand why it's okay
The guy can get away with it the girl gets named
All my ladies come together and make a change
Start a new beginning for us everybody sing
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women (3) be seen, not heard
What do we do girls?
Shout louder!
Letting them know we're gonna stand our ground
Lift your (4) high and wave 'em proud
Take a deep breath and say it loud
Never can, never will
(Check it) can't hold us down
Here's something I just can't understand
If the guy have (5) girls then he's the man
He can either give us some head, sex her off
If the girl do the same, then she's a whore
But the table's about to turn up
