Can't Hold Us Down by Christina Aguilera & Lil' Kim

So what am I not supposed to have an opinion Should I be quiet just because I'm a woman Call me a bitch cause I speak what's on my mind Guess it's easier for you to swallow if I sat and smiled When a female fires back Suddenly big (1)_____ don't know how to act So he (2)_____ (3)___ any little boy will do Making up a few false rumors or two That for sure is not a man to me Slanderin' names for popularity It's sad you only get your fame through controversy But now it's time for me To come and give you more to say This is for my girls all around the world Who've come across a man That don't respect your worth Thinking all women (4)_____ be seen, not heard So (5)_____ do we do girls? Shout louder! Letting them know we're gonna stand our ground Lift your hands high and wave them proud Take a deep breath and say it loud Never can, never will, can't hold us down Nobody can (6)____ us down Nobody can hold us down Nobody can hold us down Never can, never will So what am I not (7)_____ to say What I'm saying

Are you offended by the message I'm bringing
Call me whatever cos your words
Don't mean a thing
Guess you ain't even a man enough
To handle what I sing
If you look (8) in history
It's a common double (9) of society
The guy gets all the glory the more he can score
While the girl can do the same
And yet you call her a whore
I don't understand why it's okay
The guy can get away with it the girl gets named
All my ladies come together and make a change
Start a new beginning for us everybody sing
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women should be seen, not heard
What do we do girls?
Shout louder!
Letting them know we're gonna stand our ground
Lift your (10) high and (11) 'em proud
Take a deep breath and say it loud
Never can, never will
(Check it) can't hold us down
Here's something I just can't understand
If the guy (12) three girls then he's the man
He can either give us some head, sex her off
If the girl do the same, (13) she's a whore
But the table's about to turn up

I'll bet my fame on it
Cats take my ideas and put their name on it
It's aiight though, you can't hold me down
I got to keep on movin'
To all my girls with a man who be tryin to mack
Do it right back to him and let that be that
You need to let him know that his (14) is whack
And Lil' Kim and Christina Aguilera got your back
But you're (15) a little boy
Think you're so cute, so coy
You must talk so big
To make up for smaller things
So you're (16) a little boy
All you'll do is annoy
You must talk so big
To make up for (17) things
This is for my girls
This is for my (18) all around the world
Who've (19) across a man
That don't respect your worth
Thinking all women (20) be seen, not heard
So what do we do girls?
Should out loud!
Letting them know we're (21) stand our ground
Lift your hands high and (22) 'em proud
Take a deep breath and say it loud
Never can, never will, can't (23) us down
This is for my girls all around the world
Who've come across a man
That don't respect (24) worth
