Can't Hold Us Down by Christina Aguilera & Lil' Kim

Can't Hold Us Down by Christina Agi
So what am I not supposed to have an opinion
Should I be quiet just because I'm a woman
Call me a bitch cause I speak what's on my mind
Guess it's easier for you to swallow if I sat and smiled
When a female fires back
Suddenly big (1) don't know how to act
So he does what any (2) boy (3) do
Making up a few false rumors or two
That for sure is not a man to me
Slanderin' names for popularity
It's sad you only get your fame through controversy
But now it's time for me
To come and give you more to say
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women should be seen, not heard
So what do we do girls?
Shout louder!
Letting them know we're gonna stand our ground
Lift your hands high and wave them proud
Take a deep breath and say it loud
Never can, never will, can't hold us down
Nobody can hold us down
Nobody can hold us down
Nobody can hold us down
Never can, (4) will
So what am I not supposed to say

What I'm saying

Are you offended by the message I'm bringing Call me whatever cos your words Don't mean a thing Guess you ain't even a man enough To handle what I sing If you look back in history It's a common double standard of society The guy gets all the glory the more he can score While the (5)____ can do the same And yet you call her a whore I don't understand why it's okay The guy can get away with it the girl gets named All my ladies come together and make a change Start a new beginning for us everybody sing This is for my girls all around the world Who've come across a man That don't respect your worth -----Thinking all women should be seen, not heard What do we do girls? Shout louder! Letting them know we're gonna stand our ground Lift your hands high and wave 'em proud Take a deep breath and say it loud Never can, never will (Check it) can't hold us down Here's something I just can't understand If the guy have three girls then he's the man He can either (6)_____ us some head, sex her off

If the girl do the same, then she's a whore

But the table's about to turn up
