

## Fill in the gaps

## The Voice Within by Christina Aguilera

Young girl, don't cry	No one (15) out a hand for you to hold
I'll be right (1) when your world starts to fall	When you're lost outside, (16) inside to your soul
(Uh)	When there's no one else, (17) inside yourself
Young girl, it's alright	Like (18) oldest friend, just trust the voice within
Your tears will dry, you'll soon be free to fly	Then you'll (19) the strength, that will guide your
(Uh)	way
When you're safe inside your room, you (2) to	If you'll learn to begin to trust the voice within
dream	Life is a journey
Of a place where nothing's harder than it seems	It can take you anywhere you (20) to go
No one ever wants or bothers to explain	As (21) as you're learning
Of the heartache (3) can bring and what it means	You'll find all, you'll ever need to know
When there's no one else, (4) (5)	Break it
yourself	You'll make it
Like (6) oldest friend, just trust the voice within	Just don't (22) it because
Then you'll find the strength, that (7) guide your	
way	No one can stop you, you know that I'm talking to you
You'll (8) to begin to (9) the voice	When there's no one else, look inside yourself
within	And like your oldest friend, just trust the voice within
(Oh)	Then you'll find the strength, that will (23) your
Young girl, don't hide	way
You'll never (10) if you (11) run	You'll learn to begin to (24) the voice within
away	Young girl, don't cry
(Uh)	I'll be right here when your (25)
Young girl, just (12) tight	(26) to fall
Soon you're gonna see your brighter day	
(Oh)	
Now, in a world where innocence is quickly claimed	
It's so hard to stand (13) ground, (14)	
you're so afraid
