I Drove All Night (Live) by Céline Dion

(On oon on nan, nan, nan)		(On)
(Ooh oh nah, nah, nah)		I drove all night
(Oh yeah)		To get to you
I had to escape		ls (4) alright?
The city was sticky and cruel		I (5) all night
Maybe I should have called you first		Crept in your room
But I was dying to get to you		Woke you (6) your sleep
I was dreaming while I drove		To make love to you
The long (1) road ahead		Is that alright?
(Uh huh, yea)		I drove all night
Could taste your sweet kisses		Could taste your sweet kisses
Your arms open wide		Your arms open wide
This fever for you is just burning me up inside		This fever for you is (7) (8) me
I drove all night		up inside
To get to you		I drove all night
Is that alright?		To get to you
I drove all night		ls (9) alright?
Crept in your room		I drove all night
Woke you from your sleep		Crept in your room
To make (2) to you		Is that alright?
Is that alright?		I drove all night
I drove all night		I drove all night
What in this world		To get to you
Keeps us from falling apart?		Is that alright?
No matter where I go I hear		I drove all night
The beating of our one heart		Crept in your room
I think about you when the night is cold and dark		Is that alright?
(Uh huh, yea)		ls (10) alright?
No one can move me the way that you do		Is that alright?
Nothing erases this feeling (3)	me and
