Shadow by Ashlee Simpson

Trying to find a hand to hold but every touch felt cold to me

Fill in the gaps

I was six years old	Living in a nightmare
When my parents went away	A never-ending sleep
I was stuck inside a broken life	But now that I am wide awake
I couldn't wish away	Then I can finally see
She was beautiful	Don't feel sorry for me-
She had (1) and more	Mother, sister, father, sister, mother
And my escape was hiding out and running for the door	Everything's (5) now
Somebody listen please	Mother, sister, father, sister, mother
It used to be so hard being me	Everything's cool now
Living in the shadow	Oh, my (6) is good
Of someone else's dream	I've got more than anyone should
Trying to find a hand to hold but every touch felt cold to me	Oh, my life is good
Living in a nightmare	And the past in the past
A never-ending sleep	I was living in the shadow
But now that I am wide awake	Of someone else's dream
My chains are finally free	Trying to (7) a hand to hold but every touch felt
Don't feel sorry for me	cold to me
All the days collided	I'm living in a new day
One less perfect than the next	I'm living it for me
I was (2) inside someone else's life and always	And now that I am wide awake
second best	Then I can (8) see
Oh, I love you now 'cause now I realize	Don't feel (9) for me
That it's (3) (4) to come alive in	Don't feel sorry, don't feel sorry for me
my identity	Don't feel sorry, don't feel sorry for me
So if you're listening	Living in, living in, living in the shadow
There's so much more to me you haven't seen	Living in, living in, living in a new day
Living in the shadow	
Of someone else's dream
