Shadow by Ashlee Simpson

Fill in the gaps

I was six years old	Living in a nightmare
When my parents went away	A never-ending sleep
I was (1) inside a broken life	But now that I am (14) awake
I couldn't wish away	Then I can (15) see
She was beautiful	Don't (16) sorry for me-
She had everything and more	Mother, sister, father, sister, mother
And my (2) was hiding out and	Everything's cool now
(3) for the door	Mother, sister, father, sister, mother
Somebody listen please	Everything's cool now
It used to be so (4) being me	Oh, my life is good
Living in the shadow	I've got more (17) anyone should
Of someone else's dream	Oh, my life is good
Trying to find a hand to hold but (5) touch felt	And the past in the past
cold to me	I was (18) in the shadow
Living in a nightmare	Of someone else's dream
A never-ending sleep	Trying to find a hand to hold but (19) touch
But now (6) I am (7) awake	(20) cold to me
My (8) are finally free	I'm living in a new day
Don't feel sorry for me	I'm living it for me
All the days collided	And now that I am wide awake
One less (9) than the next	Then I can finally see
I was stuck (10) someone else's life and	Don't (21) sorry for me
always second best	Don't (22) sorry, don't feel sorry for me
Oh, I love you now 'cause now I realize	Don't feel sorry, don't feel sorry for me
That it's safe outside to (11) alive in my identity	Living in, living in, (23) in the shadow
So if you're listening	Living in, (24) in, living in a new day
There's so much more to me you haven't seen	
Living in the shadow	
Of someone else's dream	
Trying to find a hand to (12) but (13)	
touch felt cold to me
