

Fill in the gaps

	Follow if you wanna, won't just (16) around
No words	Like you'll show me where to go
But tears won't make any (1) for more, and it	I'm already out
Don't hurt	Of foolproof ideas
Like anything I've ever (2) before, (3) is	So don't ask me how
No broken heart	To get started
No familiar scars	It's all uncharted
This territory goes uncharted	Jumpstart my kaleidoscope heart
Just me	Love to (17) the colors fade
In a room (4) down in a house in a town, and I	They may not (18) sense
Don't breathe	But they sure as hell made me
Though I never (5) to let it get away from me	I won't go as a passenger, no
Now I've	Waiting for the (19) to be laid
Too much to hold	Though I may be going down
Everybody has to	I'll (20) in flame
Get their (6) on gold	Over (21) out
And I want uncharted	Compare
Stuck under the ceiling I made	Where you are to where you wanna be
I can't help but feeling	And you'll get
I'm going down	Nowhere
Follow if you wanna	I'm (22) down
Won't just hang around	Follow if you wanna, won't just hang around
Like you'll (7) me (8) to go	Like you'll (23) me where to go
I'm (9) out	I'm already out
Of foolproof ideas	Of foolproof ideas
So don't ask me how	So don't ask me how
To get started	To get started, oh
It's all uncharted	I'm going down
	Follow if you wanna
Each day	Won't just (24) around
I'm (10) up the (11)	Like you'll show me where to go
'till I get alone	I'm already out
'Cause I can't stay	Of foolproof ideas
In the (12) of it all	So don't ask me how
It's nobody's fault but I'm	To get started
So low	It's all uncharted
Never knew how (13) I didn't know	
Oh, (14) is uncharted	
I know I'm (15) nowhere	
When I only sit and stare, like	
I'm going down
