Underclass Hero by Sum 41

Fill in the gaps

(1, 2, 3, 4)			(Of the degeneration)
Well I won't be (1)	(2)	in a	Everyone sing
dead-end job			(The anthem of no future)
Or praying to a government (3) and gods			Down with the mass
And now it's us against them			('Cause we're not listening)
We're here to represent			Well (14) we're doing fine
And spit (4) in the face of the establishment			And we don't (15) to be told
And now I don't believe			That we're doing fine
(In having faith in nothing)			'Cause we won't give you control
Stand on my own			And we don't need anything from you
(And got no sympathy)			'Cause we'll be just fine
Wasting your youth			And we won't be bought and sold
(While feeling young and useless)			Just (16) you
Speak for yourself			May I have (17) attention, please?
(And don't pray for me)			I pledge allegiance to the underclass
Well because we're doing fine			As your (18) at large!
And we don't (5) to	be told		(1, 2, 3, 4)
That we're doing fine			We're the saints of degeneration
'Cause we won't give you control			We don't owe (19) an explanation
And we don't need anything from you			*** elitists, we don't need this
'Cause we'll be just fine			We're the elite of just alright
And we won't be bought and sold			And (20) because we're (21) fine
Just (6) you			And we don't need to be told
(A call (7) the underclass)			That we're (22) fine
Calling out loud with no respect			'Cause we won't (23) you control
I'm not the one, (8) reject			And we don't need anything from you
I'm the (10) to offend			'Cause we'll be just fine
All those who pretend			And we won't be (24) and sold
Unsung against the (11)	I'm here	to	Just like you
(12) against			
And now I'm desensitized			
(I (13) my place in nowhere)			
Burning the flag
