

## Fill in the gaps

The faster we're falling	Up (16) in my head
We're (1) and stalling	Instead of going under
We're running in (2) again	Instead of going under
Just as things we're (3) up	(Instead of (17) under)
You (4) it wasn't good enough	Instead of (18) under
But still we're trying one more time	I can't sit back and (19) why
Maybe we're (5) trying to hard	It took so long for this to die
When really it's (6) it is too far	And I hate it (20) you fake it
Cause I'm in too deep	You can't hide it you might as well embrace it
And I'm trying to keep	So believe me it's not easy
Up above in my head	It (21) that something's (22)
Instead of (8) under	me
Cause I'm in too deep	I'm in too deep
And I'm trying to keep	And I'm (23) to keep
Up (9) in my head	Up above in my head
Instead of going under	Instead of (24) under
Instead of (10) under	Cause I'm in too deep
Seems like each time	And I'm trying to keep
I'm with you I (11) my mind	Up above in my head
Because I'm bending (12) backwards to relate	Instead of (25) under
It's one thing to complain	Cause I'm in too deep
But (13) you're driving me insane	And I'm trying to keep
Well then I (14) it's time that we took a break	Up above in my head
Maybe we're just (15) to hard	Instead of going under
When really it's closer than it is too far	Instead of (26) under
Cause I'm in too deep	Instead of going under again
And I'm trying to keep	Instead of going under
Up above in my head	Instead of going (27) again
Instead of going under	Instead of going under (again)
Cause I'm in too deep	
And I'm trying to keep
