

Hell Song by Sum 41

Everybody's got their problems Everybody says the same things to you It's just a matter how you solve them And knowing how to change the things You've been through I feel I've (1)_____ to realize How fast (2)_____ can be compromised Step back to see what's going on I can't beleive this happened to you _____ to you It's just a problem (4)_____ I'm faced with am I Not the (5)_____ one who hates to stand by Complications (6) are first in this line With all these pictures running through my mind _____ consequences Knowing (7)___ I feel so useless in this Get back, step back, and as for me I can't believe Part of me, won't agree Cause I don't know if it's for sure Suddenly, suddenly I don't feel so insecure Part of me, won't agree Cause I don't know if it's for sure Suddenly, suddenly

Fill in the gaps

I don't feel so insecure	
Anymore	
Everybody's got their problems	
Everybody says the same (8)	to you
It's just a matter how you solve them	
But what else are we supposed to do	
Part of me, won't agree	
Cause I don't know if it's for sure	
Suddenly, suddenly	
I don't feel so insecure	
Part of me, won't agree	
Cause I don't know if it's for sure	
Suddenly, suddenly	
I don't feel so insecure	
Anymore	
Why do things that matter the most	
Never end up being what we chose	
Now (9) I find no way so bad	
I don't (10) I knew what I had	
Why do things that matter the most	
Never end up being what we chose	
Now that I find no way so bad	
I don't think I knew what I had
