| Everybody's got their prob                      | olems              |            |
|---|--------------------|------------|
| Everybody says the same                         | (1)                | to you     |
| It's just a matter how you                      | (2)                | them       |
| And (3)   | how to change      | the things |
| You've been through                             |                    |            |
| I feel I've come to realize                     |                    |            |
| How fast life can be compromised                |                    |            |
| Step back to see what's going on                |                    |            |
| I can't beleive this happened to you            |                    |            |
| This happened to you                            |                    |            |
| It's just a problem that I'm                    | faced (4)          | am I       |
| Not the only one who hates to stand by          |                    |            |
| Complications that are first in this line       |                    |            |
| With all these pictures running through my mind |                    |            |
| Knowing endless consequences                    |                    |            |
| I feel so useless in this                       |                    |            |
| Get back, step back, and as for me              |                    |            |
| I can't believe                                 |                    |            |
| Part of me, won't agree                         |                    |            |
| Cause I don't know if it's for sure             |                    |            |
| Suddenly, suddenly                              |                    |            |
| I don't feel so insecure                        |                    |            |
| Part of me, won't agree                         |                    |            |
| Cause I don't (5)                               | _ if it's for sure |            |
| Suddenly, suddenly                              |                    |            |

| I don't feel so insecure              |  |  |

| Everybody's got (6) problems          |  |  |
| Everybody says the same things to you |  |  |
| It's just a matter how you solve them |  |  |
| But what else are we supposed to do   |  |  |
| Part of me, won't agree               |  |  |
| Cause I don't (7) if it's for sure    |  |  |

| Anymore                               |  |  |
| Why do things (8) matter the most     |  |  |
| Never end up being what we chose      |  |  |
| Now that I find no way so bad         |  |  |
| I don't think I knew what I had       |  |  |
