

## Fill in the gaps

	And back down
Storming through the party	Don't count on me
ike my name was El Niño	To let you know when
When I'm hanging out drinking	Don't count on me
n the back of an El Camino	I'll do it again
As a kid	Don't count on me
Vas a skid	It's the point you're missing
And no one knew me by name	Don't (19) on me
rashed my own house party	'Cause I'm not listening
Cause (1) came	Well I'm a
(2) I'm not the one	No (20) nick (21) middle class brat
ou thought you knew back in (3) school	(Backpacked)
Never going, (4) showing up when we had to	And I don't give
Attention that we crave, don't (5) us to behave	About nothing
'm sick of (6) hearing "act your age"	You be standing on the corner
don't (7) waste my time	Talking all that kufuffin
Become another (8) of society	Well you don't make sense
'll never fall in line	From all the gas you
Become (9) victim of your conformity	'Cause if the egg don't stain
And (10) down	You'll be ringing off the hook
Because you don't	You're on the hit list
Know us at all	Wanted in the telephone book
We laugh when old (11) fall	I like songs (22) distortion
But what would you expect	To (23) in proportion
Nith a conscience so small?	The dentist said my mom
Heavy metal and mullets	Should've had an abortion
t's how we were raised	
Maiden and Priest	I don't wanna waste my time
Vere the (12) (13) we praised	Become another casualty of society
Cause we like having fun	I'll never fall in line
At other people's expense and	Become (24) victim of your conformity
Cutting people down is just a minor offense then	And (25) down
t's none of your concern	(Waste my time with them) (26) of
guess I'll never learn	society
'm sick of being (14) to (15) my turn	(Waste my time with them)
don't (16) waste my time	Victim of your conformity
Become another casualty of society	And back down
'll never (17) in line	
Become (18) victim of your conformity
