

## Fill in the gaps

	And back down
Storming through the party	Don't count on me
ike my name was El Niño	To let you know when
When I'm hanging out drinking	Don't count on me
n the back of an El Camino	I'll do it again
As a kid	Don't count on me
Vas a skid	It's the point you're missing
And no one knew me by name	Don't count on me
rashed my own house party	'Cause I'm not listening
Cause nobody came	Well I'm a
know I'm not the one	No good (7) lower middle class brat
ou thought you knew back in high school	(Backpacked)
Never going, never (1) up when we had to	And I don't give
Attention that we crave, don't tell us to behave	About nothing
'm sick of always hearing "act your age"	You be standing on the corner
don't wanna waste my time	Talking all that kufuffin
Become another casualty of society	Well you don't (8) sense
'll never fall in line	From all the gas you
Become (2) victim of your conformity	'Cause if the egg don't stain
And back down	You'll be ringing off the hook
Because you don't	You're on the hit list
Know us at all	Wanted in the telephone book
Ve laugh when old people fall	I like songs with distortion
But what would you expect	To drink in proportion
Nith a conscience so small?	The dentist said my mom
Heavy metal and mullets	Should've had an abortion
t's how we were raised	
Maiden and Priest	I don't wanna waste my time
Vere the gods that we praised	Become another casualty of society
Cause we like having fun	I'll never fall in line
At other people's expense and	Become another victim of your conformity
Cutting (3) down is just a minor	And back down
4) then	(Waste my time with them) (9) of society
t's none of your concern	(Waste my time with them)
guess I'll never learn	Victim of your conformity
'm sick of (5) told to wait my turn	And back down
don't wanna waste my time	
Become another casualty of society	
'Il never fall in line	
Become another (6) of your conformity
