

## Fill in the gaps

## It Ends Tonight by The All-American Rejects

Your subtleties	It's too late to fight
They (1) me	It ends tonight
I can't explain myself at all	It ends tonight
And all the wants	Now I'm on my own side
And all the needs	It's better than being on your side
All I don't (2) to need at all	It's my fault when you're blind
The walls start breathing	It's better that I see it through your eyes
My mind's unweaving	All (15) thoughts (16) inside
Maybe it's best you leave me alone	Now you're the (17) to know
A weight is lifted	When (18) turns to light
On this evening	It (19) tonight
I (3) the final blow	It ends tonight
When darkness turns to light	Just a (20) insight won't make (21)
It (4) tonight	right
It ends tonight	It's too late to fight
A (5) star	It (22) tonight
Least I (6) alone	It ends
I can't (7) (8) you can't explain	When darkness turns to light
You're (9) things that you didn't know	It ends tonight
I look at you with (10) disdain	It ends tonight
The walls start breathing	Just a (23) insight won't (24) this
My mind's unweaving	right
Maybe it's best you leave me alone	It's too late to fight
A weight is lifted	It ends tonight
On this evening	It ends tonight
I give the final blow	Tonight
When (11) to light	Insight
It ends tonight	When darkness turns to light
It (13) tonight	It ends tonight
Just a (14) insight won't make this right
