

## Fill in the gaps

Sometimes he's afraid to turn on the light	You just know she still (21) good
He doesn't (1) who he sees	She ain't made for those magazines
I thought he (2) how to judge it right	Full of photo shop queens
But just how wrong could I be	Telling her how she should be
He hopes to find (3) new	Oh there's no doubt about it
(4) in a ideal world	She's as real
This is how she'll be	As a (22) can be
She don't (5) have to (6) up	He keeps on searching for her
She don't wear makeup	She can't be that far (23) from him
'Cause she cames (7) too well	Even though he (24) what he wa
In the (8) light of morning	He keeps gettin fooled by (25) trick
You just know she still (9) good	Because he cannot ask for all that he can see
She ain't made for those magazines	I don't come easily
Full of (10) (11) queens	She don't always have to dress up
Telling her how she (12) be	She don't wear makeup
Oh there's no doubt about it	'Cause she cames herself too well
She's as real	In the first (26) of morning
As a woman can be	You just know she still looks good
Too many (13) spend all of their time	She ain't made for those magazines
Looking for perfection	Full of photo shop queens
I thought he (14) (15) perfect was	Telling her how she should be
Oh but now on reflection	Oh there's no doubt about it
He (16) to find (17) new	She's as real
tonight	As a woman can be
Gonna take his worngs turn them into right	
She don't always (18) to dress up	
She don't (19) makeup	
'Cause she cames herself too well	
In the (20) light of morning	

## 1. know

- 2. knew
