

## Fill in the gaps

### Thanks For The Memories by Fall Out Boy

I'm gonna (1)\_\_\_\_\_ you (2)\_\_\_\_\_ and break.

Say a prayer, but let the good times roll,

In case God doesn't show. (Let the good (3)\_\_\_\_\_ roll)

And I want these word to (4)\_\_\_\_\_ (5)\_\_\_\_\_  
right,

But it's the wrongs that make the words come to life.

"Who does he think he is?"

If that's the worst you got,

Better put your fingers back to the keys.

One night and one more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes (6)\_\_\_\_\_ you only sweeter."

Ohh

Been looking forward to the future,

But my eyesight is going bad.

And (7)\_\_\_\_\_ crystal ball,

Is always cloudy,

Except for (except for)

when you look into the past (look into the past)

One night stand.

One night stand.

One night and one more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night yeah and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you only sweeter."

Ohh

They say I only think in the form of crunching numbers.

In hotel rooms,

Collecting page six lovers.

Get me out of my mind.

Get you out of those clothes.

I'm a liner away,

From (8)\_\_\_\_\_ you into the mood.

One night and one more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night yeah and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you only sweeter."

Ohh

One more night.

One more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you (9)\_\_\_\_\_ sweeter."

One night and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you (10)\_\_\_\_\_ sweeter."

Ohh.

Answer

1. make
2. bend
3. times
4. make
5. things
6. like
7. this
8. getting
9. only
10. only
