## The Sweet Escape by Gwen Stefani & Akon

(Woo-who, yee-who)	Want to take you with me
(Woo-who, yee-who)	If I could escape (escape)
(Woo-who, yee-who)	And re-create a place as my own world (own world)
(Woo-who, yee-who)	And I could be your favorite girl
If I could escape	Forever, perfectly together
I would, but first of all let me say	Tell me boy, now wouldn't that be sweet (sweet)?
I (1) apologize for acting, stinking	If I could be sweet (be sweet)
Treating you this way	I know I've been a (5) bad girl
Cause I've been acting like sour milk fell on the floor	I didn't mean for you to get hurt
It's your fault you didn't shut the refridgerator	Forever, we can make it better
Maybe that's the reason I've (2) acting so cold	Tell me boy, now wouldn't that be sweet?
If I could escape (escape)	Sweet escape, sweet escape
And re-create a place as my own world (own world)	(Woo-who, yee-who)
And I could be your favorite girl	(Woo-who, yee-who)
Forever, perfectly together	If I could escape
Tell me boy, now wouldn't that be sweet (sweet)?	(Woo-who, yee-who)
If I could be sweet (be sweet)	If I could escape
I know I've been a real bad girl	(Woo-who, yee-who)
I didn't mean for you to get hurt	Cause I've been acting like sour milk fell on the floor
Forever, we can make it better	It's your fault you didn't shut the refridgerator
Tell me boy, now wouldn't that be sweet?	Maybe that's the reason I've been acting so cold
Sweet escape (sweet escape)	If I could escape (escape)
(Woo-who, yee-who)	And re-create a place in my own world (own world)
I wanna get away, get away	And I could be your favorite girl
To our (3) escape, sweet escape	Forever, perfectly together
(Woo-who, yee-who)	Tell me boy, now wouldn't that be sweet (sweet)?
I wanna get away, get away	If I could be sweet (be sweet)
Yeah (Woo-who, yee-who)	I know I've been a real bad girl
You let me down	I didn't mean for you to get hurt
I'm at my lowest boiling point	Forever, we can (6) it better
Come help me out	Tell me boy, now wouldn't that be sweet?
I need to get me out of this joint	Sweet escape, sweet escape
Come on, let's bounce	(Woo-who, yee-who)
Counting on you to turn me around	I wanna get away, get away
Instead of clowning around	To our (7) escape, (8) escape
For some common ground	(Woo-who, yee-who)
So baby, times getting a little crazy	I (9) get away, get away
I've been (4) a little lazy	Yeah
Waiting for you to come save me	(Woo-who, yee-who)
I can see that you're angry	
By the way the you treat me
