

Fill in the gaps

Just My Imagination by The Cranberries

There was a game we (1) to play	It was
We would hit the (2) on Friday night	There is a game I like to play
And stay in bed (3) Sunday	I (13) to hit the (14) on Friday night
We used to be so free	And (15) in bed until Sunday
We were (4) for the love we had and	We'll (16) be this free
Living not for reality	We (17) be living for the (18) we have
Just my imagination	Living not for reality
Just my imagination	It's not my imagination
Just my imagination	It's not my imagination
It was	It's not my imagination
Just my imagination	It was
Just my imagination	Not my imagination
Just my imagination	It's not my imagination
It was	Not my imagination
There was a (5) I used to pray	It was
I have always kept my faith in love	Not my (Not My)
It's the (6) thing (7) the man	
above	(Laaaa aaaa)
The (8) I used to play	My imagination
I've always put my (9) upon the table	My imagination
Let it (10) be (11) (12) I'd	My imagination
be unstable	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
Just my imagination	
It was	
Just my imagination	
Just my imagination	
Just my imagination
