

Fill in the gaps

So don't bother

She's got the (1) of look	I won't die of deception
That defies gravity	I promise you won't (17) see me cry
She's the (2) cook	Don't feel sorry
And she's fat free	Don't bother
She's been to private school	I'll be fine
And she (3) perfect French	But she's waiting
She's got the perfect friends	The ring you gave to her will lose its shine
Oh isn't she cool	So don't bother, be unkind
She practices Tai Chi	For you, I'd give up all I own
She'd (4) lose her nerve	And move to a communist country
She's more than you deserve	If you came (18) me, of course
She's (5) far better than me	And I'd file my nails
Hey, hey	So they don't (19) you
So don't bother	And (20) (21) pounds
I won't die of deception	And learn about football
I (6) you won't ever see me cry	If it made you stay
Don't feel sorry	But you won't
And don't bother	But you won't
I'll be fine	So don't bother
But she's waiting	I'll be fine, I'll be fine, I'll be fine
The (7) you (8) to her (9)	Promise you won't ever see me cry
lose its shine	And (22) all I'm glad (23) I'm not
So (10) bother, be unkind	(24) type
I'm sure she (11) know	Promise you won't ever see me cry
How to (12) you (13) I would	Don't bother
I beat her at that one good	I'll be fine, I'll be fine, I'll be fine
Don't you think so?	Promise you won't ever see me cry
She's almost six feet tall	And after all I'm glad that I'm not your type
She (14) think I'm a flea	Not (25) type, not (26) type, not you
I'm really a cat you see	type
And it's not my (15) at all	Promise you won't ever see me cry
Hey, hey	

1. kind

- 2. greatest
