I'm at a payphone trying to call home

Fill in the gaps

Payphone by Maroon 5 & Wiz Khalifa

I'm at a payphone trying to call home	All of my change, I spent on you
All of my change, I spent on you	Where have the times gone
Where have the times gone?	Baby, it's all wrong
Baby, it's all wrong	Where are the (9) we (10) for two?
Where are the plans we made for two?	If happy ever (11) did exist
Yeah, I, I know it's hard to remember	I would still be holding you like this
The people we used to be	All (12) fairy tales are full of shit
It's even harder to picture	One more fucking love song, I'll be sick
That you're not here (1) to me	Now I'm at a payphone
You say it's too late to make it	Man, fuck (13) shit
But is it too late to try?	I'll be out (14) all this money
And in our time that you wasted	While you're sitting 'round wondering
All of our bridges (2) down	Why it wasn't you who came up from nothing
I've wasted my nights	Made it from the bottom
You turned out the lights	Now when you see me, I'm stunnin'
Now I'm paralyzed	And all of my cars start (15) the push of a button
Still stuck in that time	Telling me the chances I (16) up
When we called it love	Or whatever you call it
But even the sun sets in paradise	Switch the (17) to my phone
I'm at a payphone trying to call home	So you never could call it
All of my change, I spent on you	Don't need my name on my show
Where have the times gone?	You can tell it I'm ballin'
Baby, it's all wrong	Swish, what a shame, could have got picked
Where are the plans we made for two?	Had a (18) good game but you missed your
If happy ever afters did exist	(19) shot
I would still be holding you like this	So you talk about who you see at the top
All those fairy (3) are full of shit	Or (20) you could have saw
One more fucking love song, I'll be sick	But sad to say it's over for
(Oh)	Phantom pulled up, valet open doors
You (4) your (5) on tomorrow	Wiz like go away, got what you was looking for
Cause you forgot yesterday	Now it's me who they want, so you can go and take
I gave you my love to borrow	That little piece of shit with you
But you just gave it away	I'm at a payphone trying to call home
You can't expect me to be fine	All of my change, I spent on you
I don't expect you to care	Where (21) the (22) gone
I know I've said it before	Baby it's all wrong
But all of our bridges burned down	Where are the (23) we (24) for two?
I've wasted my nights	If happy ever (25) did exist
You (6) out the lights	I would still be holding you like this
Now I'm paralyzed	All those fairy tales are full of shit
Still stuck in that time	One more fucking (26) song, I'll be sick
When we (7) it love	Now I'm at a payphone
But even the sun (8) in paradise
