

Fill in the gaps

I'm sitting in a room
Made up of only big white walls and in the halls
There are people looking through
The window in the door and they know exactly
What we're here for
Don't look up just let them think
There's no place (1) you'd rather be
You're (2) on display
For (3) to watch
And learn from don't you know by now
You can't turn back
Because (4) road is all you'll ever have
And it's obvious that your dying, dying
Just living proof that the camera's lying
And oh-oh-open wide, 'cause this is (5) night
So smile, 'cause you'll go out in style
You'll go out in style
If you let me I could
I'd show you how to build your fences
Set restrictions, separate from the world
The constant battle that you hate to fight
Just blame the limelight
Don't look up Just let them think
There's no place else you'd rather be
And now you can't turn back

Because this road is all you'll ever have
And it's obvious that you're dying, dying
Just living (6) that the camera's lying
And oh-oh-open wide, 'cause this is your night
So smile
Yeah, yeah you're (7) for it
With (8) breath that you breathe in
Just breathe it in
Yeah, yeah (9) you're just a mess
You do all this big talking
So now let's see you walk it
I said let's see you walk it
Yeah, yeah well you're just a mess
You do all this big talking
So now let's see you walk it
I said let's see you walk it
And it's obvious that you're dying, dying
Just living proof that the camera's lying
And oh-oh-open wide
Yeah, oh-oh-open wide
Yeah, oh-oh-open wide
Cause you'll go out in style
You'll go out in style
