

Of which I'm ashamed There's not anything to

## Fill in the gaps

I can be an (1) of the	Which you can't relate
(2) kind	And you're still here
I can (3) like it's going out of style	What I resist
I have the (4) heart that you've	Persists and speaks
(5) seen	Louder than I know
And you've never met anyone who's	What I resist
As positive as I am sometimes	You love no matter
You see everything	How low or high I go
You see every part	You see everything
You see all my light	You see (8) part
And you love my dark	You see all my light
You dig everything	And you love my dark
Of which I'm ashamed	You dig everything
There's not (6) to	Of which I'm ashamed
Which you can't relate	There's not (9) to
And you're still here	Which you can't relate
I blame everyone else not my own partaking	And you're still here
My passive aggressiveness can be devastating	You see everything
I'm the most gorgeous woman	You see every part (and you're still here)
That you've ever known	You see all my light
And you've never met anyone who's	And you love my dark (ahoh)
As everything as I am sometimes	You dig everything (uhoh)
You see everything	Of which I'm ashamed
You see every part	There's not anything to
You see all my light	Which you can't (and you're still here)
And you (7) my dark	
You dig everything
