

Fill in the gaps

I can be an asshole of the grandest kind	Which you can't relate
I can withhold like it's going out of style	And you're (7) here
I have the bravest heart that you've (1) seen	What I resist
And you've (2) met anyone who's	Persists and speaks
As positive as I am sometimes	Louder than I know
You see everything	What I resist
You see every part	You love no matter
You see all my light	How low or high I go
And you (3) my dark	You see everything
You dig everything	You see every part
Of which I'm ashamed	You see all my light
There's not anything to	And you love my dark
Which you can't relate	You dig everything
And you're (4) here	Of which I'm ashamed
I blame everyone else not my own partaking	There's not anything to
My (5) aggressiveness can be devastating	Which you can't relate
I'm the most gorgeous woman	And you're still here
That you've ever known	You see everything
And you've never met anyone who's	You see (8) part (and you're (9)
As everything as I am sometimes	here)
You see everything	You see all my light
You see every part	And you love my dark (ahoh)
You see all my light	You dig everything (uhoh)
And you (6) my dark	Of which I'm ashamed
You dig everything	There's not anything to
Of which I'm ashamed	Which you can't (and you're still here)
