

Fill in the gaps

Out Is Through by Alanis Morissette

Every (1) you raise (2) voice	The (14) way we'll feel better
I see the greener grass	The (15) way out is through
Every (3) you run for cover	Ultimately
I see this pasture	We could just walk away and
Every time we're in a funk	Hide our heads in the sand
I picture a different choice	We could just call it quits
Anytime we're in a rut	Only to start all over again
This distant grandeur	With somebody else
My tendency to want to do away	Every time we're (16) in struggle
Feels natural and	I'm down for the count (17) day
My urgency to dream of (4) places	Every time I dream of (18) fix
Feels understandable	I'm assuaged
The only way out is through	Now I know it's hard when it's through
The faster we're in the better	And I'm damned if I don't (19) quick fix way
The only way out is through	But formerly mistreat me silence now outdated
Ultimately	My tendency to want to run feels (20)
The (5) way out is through	now
The (6) way we'll feel better	The urgency to want to (21) to you
The (7) way out is through	I don't (22) (23) feels good
Ultimately	The (24) way out is through
Every time I'm confused	The faster we're in the better
I think there must be easier ways	The only way out is through
Every time our horns are locked	Ultimately
I'm towel throwing	The only way out is through
Every time we're at a loss	The only way we'll feel better
We've (8) (9) difficulty	The only way out is through
Anytime we're in stalemate of final bowing	Ultimately
My (10) to want to (11) aw	ay The only way out is through
Feels (12) and	The faster we're in the better
The immediacy is picturing another place	The (25) way out is through
Comforting to go	Ultimately
The only way out is through	The only way out is through
The (13) we're in the better	The only way we'll get better
The only way out is through	The (26) way out is through
Ultimately	Ultimately
The only way out is through
