

We all had a thing or two to learn

Fill in the gaps

Forgiven (Acoustic) by Alanis Morissette

You know how us Catholic girls can be	We all needed something to (7) to
We (1) up for so much time a little too late	So we did
I never forgot it, confusing as it was	What I learned I rejected but I believe again
No fun with no guilt feelings	I will suffer the consequence of (8) inquisition
The sinners, the saviors, the loverless priests	If I (9) in this fountain
I'll see you next Sunday	Will I be forgiven
We all had our reasons to be there	We all had our reasons to be there
We all had a thing or two to learn	We all had a thing or two to learn
We all needed something to cling to	We all needed something to cling to
So we did	So we did
I sang Alleluia in the choir	We all had delusions in our head
Alleluia, alleluia, alleluia	We all had our minds made up for us
I (2) my darkest deeds to an envious	We had to believe in something
man	So we did
My brothers	
They never went (3) for (4) they did	So we did
but	
I may as well have	So we did
In the name of the Father	
The Skeptic and the Son	
I had one (5) stupid question	
We all had our (6) to be there
