

And if I was a child

Fill in the gaps

So I'm back to the velvet underground		And the child was enough
Back to the floor		Enough for me to love
That I love		Enough to love
To a (1) with some (2)	and	She is dancing away from you now
(3) flowers		She was just a wish
I'm back to the gypsy		She was just a wish
That I was		And a memory is all that is left for you now
To the gypsy		You see your
That I was		Gypsy
And it all (4) down to you		Yeah
Well you (5) that it (6) well		You see your gypsy
Lightning strikes		(Ah, nah, nah)
Maybe once, maybe twice		(Nah, nah, nah)
And it (7) up the night		Lightning strikes
And you see your		Maybe once, maybe twice
Gypsy		(Ah, nah, nah)
Yeah		And it all comes down to you
You see your gypsy		Lightning strikes
To the gypsy		Maybe once, (9) twice
That remains		I (10) see your bright eyes
Faces freedom		I still see your bright eyes
With a (8) fear		Your bright eyes
I have no fear		
I have only love
