

Stay, stay

Fill in the gaps

My whole life (1)	for the right time	'Cause all my life I felt this way	
And to tell you how I feel		But I could never find the words to say	
I know I try to tell you that I need you		Stay, stay	
And here I am without you		So you (6) your mind	
I feel so lost but what can I do?		And say you're mine	
Cause I know this (2) seems real		Don't leave tonight	
But I don't know how to feel		Stay	
We say goodbye in the pou	uring rain	Say (7) in the pour	ing rain
And I break (3) as you walk away		And I break down as you walk away	
Stay, stay		Stay, stay	
Cause all my life, I (4)	this way	'Cause all my life I (8) this	way
But I could never (5) the words to say		But I could never find the words to say	
Stay, stay		Stay, stay	
Alright, everything is alright		Stay with me	
Since you came along		Stay with me	
And before you		Stay with me	
I had nowhere to run to		Stay (9) me	
And nothing to hold on to		Stay	
I came so close to giving it up		Stay	
And I wonder if you know		Stay	
How it feels to let you go?		Stay with me	
You say goodbye in the po	uring rain		
And I break down as you w	ralk away
