My whole life (1)	for the right time	'Cause all my life I felt this way		
And to tell you how I feel		But I (6)	(7)	find the words to say
I know I try to tell you that I need you		Stay, stay		
And here I am without you		So you change your mind		
I feel so lost but what can I do?		And say you're mine		
'Cause I know this love seems real		Don't (8)	tonight	
But I don't know how to feel		Stay		
We say goodbye in the pouring rain		Say goodbye in the pouring rain		
And I break down as you walk away		And I break down as you walk away		
Stay, stay		Stay, stay		
'Cause all my life, I felt this w	ay	'Cause all my life I	(9) th	is way
But I could (2)	(3) the words to say	But I could never fir	d the words to s	say
Stay, stay		Stay, stay		
Alright, everything is alright		Stay with me		
Since you (4) along		Stay with me		
And before you		Stay with me		
I had nowhere to run to		Stay with me		
And nothing to hold on to		Stay		
I came so close to giving it up		Stay		
And I wonder if you know		Stay		
How it feels to let you go?		Stay with me		
You say goodbye in the pour	ing rain			
And I break (5) as	s you walk away
