## Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together	But I don't wanna live that way
Like when you said you felt so (1) you could die	Reading into every word you say
Told myself that you were right for me	You said that you (7) let it go
But felt so lonely in your company	And I wouldn't catch you hung up
But that was love and it's an ache I still remember	On somebody that you (8) to know
You can get addicted to a certain kind of sadness	But you didn't have to cut me off
Like resignation to the end, always the end	Make out like it never happened
So when we found that we could not make sense	And that we were nothing
Well, you said (2) we would still be friends	And I don't even need your love
But I'll admit that I was glad that it was over	But you treat me like a stranger
But you didn't have to cut me off	And that feels so rough
Make out like it never happened	You didn't have to stoop so low
And that we were nothing	Have your friends collect your records
And I don't even need your love	And then change your number
But you (3) me like a stranger	I guess that I don't need that though
And that feels so rough	Now you're just somebody that I used to know
You didn't have to stoop so low	Somebody, I used to know
Have your friends collect your records	Somebody, now you're just somebody that I used to know
And then change your number	Somebody, I used to know
I guess that I don't need that though	Somebody, now you're just somebody that I used to know
Now you're just somebody that I (4) to know	I (9) to know
Now you're just somebody that I used to know	That I used to know
Now you're just somebody that I (5) to know	I used to know, somebody
Now and (6) I think of all the times you screwed	
me over	
But had me believing it was always something that I'd done
