

## Fill in the gaps

## Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together	But I don't wanna live that way
Like when you (1) you felt so happy you could die	Reading into every word you say
Told myself that you were right for me	You said (16) you could let it go
But felt so lonely in your company	And I wouldn't catch you (17) up
But that was love and it's an ache I still remember	On somebody (18) you used to know
You can get (2) to a	But you didn't (19) to cut me off
(3) kind of sadness	Make out like it never happened
Like resignation to the end, always the end	And that we were nothing
So when we found that we (4) not make sense	And I don't (20) (21) (22)
Well, you said that we would still be friends	love
But I'll admit that I was glad that it was over	But you treat me like a stranger
But you didn't have to cut me off	And that feels so rough
Make out (5) it never happened	You didn't have to stoop so low
And that we were nothing	Have your friends collect your records
And I don't even need your love	And then change your number
But you treat me like a stranger	I guess (23) I don't need (24) though
And that feels so rough	Now you're just somebody that I used to know
You didn't (6) to stoop so low	Somebody, I used to know
Have (7) friends collect (8) records	Somebody, now you're just (25) that I
And then (9) your number	(26) to know
I guess that I don't need that though	Somebody, I used to know
Now you're just somebody (10) I used to know	Somebody, now you're just somebody (27) I
Now you're (11) somebody that I used to know	(28) to know
Now you're (12) somebody (13) I used	I (29) to know
to know	That I used to know
Now and then I think of all the times you	I used to know, somebody
(14) me over	
But had me believing it was (15) something	
that I'd done
