Somebody That I Used To Know by Gotye & Kimbra

Now and then I (1) of when we were together		But I don't wanna live that way		
Like when you said you felt so happy you could die		Reading into every word you say		
Told myself that you were right for me		You said that you could let it go		
But felt so lonely in your company		And I wouldn't catch you hung up		
But that was love and it's an ache I (2)		On somebody (7) you used to know		
remember		But you didn't have to cut me off		
You can get addicted to a	certain kind of sadness	Make out like it never happened		
Like resignation to the end	, always the end	And that we were nothing		
So (3) we four	nd that we could not (4)	And I don't even need your love		
sense		But you treat me (8) a stranger		
Well, you said that we wou	ıld still be friends	And that feels so rough		
But I'll admit that I was glad that it was over		You didn't have to stoop so low		
But you didn't have to cut me off		Have your friends collect your records		
Make out like it never happened		And then change your number		
And that we were nothing		I guess that I don't need that though		
And I don't even need your love		Now you're	just (9)	that I used to know
But you treat me like a stranger		Somebody, I used to know		
And (5) feels so	o rough	Somebody, now you're just somebody that I used to know		
You didn't have to stoop so low		Somebody, I used to know		
Have your (6)	collect your records	Somebody,	now you're just some	body that I used to know
And then change your nun	nber	I (10)	to know	
I guess that I don't need that though		That I used to know		
Now you're just somebody that I used to know		I used to know, somebody		
Now you're just somebody	that I used to know			
Now you're just somebody	that I used to know
