What My Heart Wants To Say by Gareth Gates

You're amazing	I hope you still know what my heart wants to say
So amazing	But if I'll be gone tomorrow
Have I told you	Would you know how deep my love goes
Enough	If I was gone forever
You're my angel	Would you know how much I care
The guardian angel	And you make me feel like flying
God knows I've been blessed with love	And feeling all emotion
But if I'll be gone tomorrow	That everytime you look at me
Would you know how deep my love goes	You see it in my eyes
Have I ever (1) you	If the words don't come my way
You're the one	I hope you still (5) (I hope it still shows)
If the (2) don't come my way	If the words don't come my way
Hope it's still love	I hope you still know
Hope it still shows	I (6) it still shows
If the words don't come my way	If the words don't come my way
Hope you (3) know what my heart wants to say	I hope you still know
The love's so tender	What my heart (7) to say
I surrender	If the words don't come my way
To this feeling	I hope you still know
So true	Hope it (8) shows
My affirmation	If the words don't come my way
My inspiration	I hope you still know
Darling I (4) been blessed with you	I hope it still shows
If the words don't come my way	I hope you (9) know
I hope you still know	What my heart wants to say
I hope it still shows
